b7c On November 28, 1977, [redacted] voluntarily appeared at the Los Angeles Office of the FBI. [redacted] was introduced to SA's [redacted] and [redacted] who identified themselves to her by display of credentials as Special Agents of the FBI.

[redacted] advised that she is a member of Ananda Marga. Her purpose in visiting the FBI was to deny certain allegations made by the news media that Ananda Marga was responsible for certain activities directed against Air-India. [redacted] stated that she was directed by the Sectorial Headquarters of Ananda Marga, which is located in Denver, Colorado, to advise that Ananda Marga does not believe in or espouse acts of terrorism. She stated that terrorism has no place in the philosophy of Ananda Marga.

[redacted] produced copies of three letters which were furnished to her through the Ananda Marga Headquarters in Denver, Colorado. The first letter was directed to the United States National Director, Air-India, 345 Park Avenue, New York, New York, which in effect denied and disavowed any association or connection with any organization known as the Universal Proutist Revolutionary Federation (UPRF). This letter was signed by ACARYA YATIISHVARANANDA AVT.. The second letter was addressed to the FBI, Denver, Colorado, dated October 23, 1977, and disclosed that Ananda Marga is a non-profit social service/spiritual organization and disavows any connection with the UPRF. This letter is signed by IVO NELSON. The third letter was mailed to An. Marg, 854 Pearl Street, Denver, Colorado, and is addressed to MORAJI DESAI. This letter assumes the responsibility for actions taken against the airlines of India in the name of the Universal Proutist Revolutionary Federation, and is signed UPRF, U.S. Division, North American Command.

[redacted] stated that the term Universal Proutist Revolutionary Federation may have been taken from the organization called Prout. She advised that Ananda Marga and Prout both espouse the philosophy and teachings

of Mr. P. R. SARKAR. She also advised that the regional leader of Prout has been in contact with an FBI Agent named [REDACTED] in San Francisco, California.

[REDACTED] stated that Ananda Marga would fully cooperate with the FBI in order to clear Ananda Marga of any wrongdoing. Dear Sirs,

Enclosed you will find a letter from the Universal Proutist Revolutionary Federation to Mr. Moraji Desai demanding the release of P. R. Sarkar. The letter claims responsibility for an attack on an Air India office (the letter is postmarked New York, New York) and threatens future action if their demand is not met.

A copy of the letter was sent to our national offices in Denver on October 22, 1977. Although P. R. Sarkar is the founder and president of Ananda Marga Inc. neither he nor the international organization of Ananda Marga claim any association whatsoever with the UPRF.

Ananda Marga is a non-profit social service/spiritual organization. Such actions as have been threatened by the UPRF go completely against the nature of our organization and the moral ideals that we propagate.

Sincerely,

~~John S. ...~~

Dear Sirs,

In the last month we have received copies of three threatening letters addressed to Mr. Moraji Desai from the Universal Proutist Revolutionary Federation. Two of the letters contained threats that were directed at Air India. Upon immediate receipt of each letter, a representative from our national office submitted it to the Federal Bureau of Investigation of the United States.

I would like to say at this time that Ananda Marga is in no way associated with the Universal Proutist Revolutionary Federation. Acts as have been alleged by the UPRF are not by any means representative of Ananda Marga's activities in North America. In the United States alone we have established such projects as group homes, schools, prison programs, disaster relief teams, and many other service-oriented programs.

We do support the request that the founder and spiritual leader of Ananda Marga, Mr. P. R. Sarkar, be released from prison in India. It is our feeling that due to the adverse political setting in India during the State of Emergency, it was impossible for fair trial proceedings to take place. Documentation of our position is available through reports by W. T. Wells (Queen's Counsel) and Claude Sheppard, a lawyer sent as a neutral observer of the trial by the International Commission of Jurists and The League for Human Rights.

Regardless of our stance on the fairness of Mr. Sarkar's trial, we do not support violent acts as a means to justify his release, or for any other reason. Mr. Sarkar himself stated in a recent interview, "I completely disown these acts of violence... I will not obtain my release in this way."

At this time, we feel that the attacks on your offices, as well as similar actions that have been performed in other countries under the auspices of the UPRF, are an effort by a foreign intelligence agency to defame Ananda Marga. Recent research shows good reason for such an attack. A booklet is now being prepared that will

Service to humanity 19 service to God

clarify this line of thought. Upon completion, a copy will be sent to you.

We have been keeping in constant touch with the FBI in San Francisco, Washington D. C., and Denver as well as the State Department, Indian Embassy, and Secret Service in Washington, D. C.

I deeply regret the injury that resulted from the incident in Los Angeles and sincerely hope it will not be repeated.

If I may be of any help to you, please feel free to call or write me.

Sincerely yours,

Dr. Y. K. Sivasubramanian

ALLEGHENY-KISKI VALLEY CITIZENS FOR PEACE
(PITTSBURGH)

"A Peace intern is urgently needed to organize the activities of the Allegheny-Kiski Valley Citizens for Peace; and to coordinate and direct volunteers at the Peace Center. The group operates a storefront Peace Center located in New Kensington, a rural, industrial community northeast of Pittsburgh. It is a diverse group of many ages, economic and ethnic backgrounds, interested in political action toward ending the Vietnam war and fostering better human relations. The Center sponsors draft counseling, discussion groups on new priorities, education workshops, and seminars. We can provide food, shelter, and pocket money. CONTACT Allegheny-Kiski Valley Citizens for Peace, P.O. Box 34, New Kensington, Pa. or call evenings 412-339-2242."

ANANDA MARGA YOGA SOCIETY
(KANSAS CITY)

"For those who wish to combine a personal spiritual trip with work on alternative institutions, the Ananda Marga Yoga society is in need of teachers, nurses, professionals, journalists, and any one else who wishes to take part in establishing new schools, daycare centers, magazines, newspapers, old age centers, clinics and other essential services for the birth of a new society. The philosophy of Ananda Marga goes beyond just trying to attain individual perfection. We believe that the developed personalities should take the lead in bringing about a new social order where all men and women can be assured of the necessities of life and more. In most of the jobs which are now available or will be opening up, we will attempt to pay the worker a subsistence salary or offer room and board. In some areas of the country this will more difficult than others. For more information CONTACT Education Relief and Welfare Section, Ananda Marga Yoga Society, 3453 E. 12th St., Wichita, Ks 67208."

KANSAS
CENTER FOR DRAFT COUNSELING
(SAN FRANCISCO)

"The Center for Draft Counseling in Santa Rosa is a local draft counseling office. We have been serving Sonoma, Napa, Lake, and Mendocino counties for more than two years. We are looking for a dedicated and resourceful counselor (draft)

"to help run the place. We can offer a place to live but no salary as of now. Write if interested. CONTACT Center for Draft Counseling, 608 College Ave, Santa Rosa, CA 95404, att: Jeff Woodruff. CALIF.

CENTER FOR ITHACA ALTERNATIVES
(ALBANY), N.Y.

"The Center is a new group formed from the staff of a crisis/growth center. We do a publication, Guava Jelly which is a source of information about alternatives in Ithaca, of peoples' skills and needs, etc. We are interested in doing more counseling around alternatives; helping people find their own solutions. We need more staff, and can help raise subsistence. For more information CONTACT David Chidakel, 412 Linn St., Ithaca, N.Y. 14850."

COMMITTEE ON NEW ALTERNATIVES IN THE MIDDLE EAST
(NEW YORK)

"The Committee is a cooperative effort of members of the peace community working with the national peace organizations (AFSC, FOR, WRL, WSP, etc.) to explore the possibilities for and methods of achieving a peaceful settlement of the Middle East conflict. The Committee will need one or two staff members (depending on talents) around May. They must be able to do all sorts of administrative work, research, and set up speaking schedules. Some sort of experience is essential. For this impossible job they will pay the going subsistence rates that tend to plague the many peace groups under this roof. For more information---CONTACT Committee on New Alternatives in the Middle East, 339 Lafayette St., NY, NY 10012 212-475-4300."

COMMUNITY OF COMMUNES
(ALBANY), N.Y.

"This is not a sketch of anything real yet, but we have 220 acres of land, and a fantasy to set up a place where several communes can live in peace. We want to be involved in making of products and food, books and schools, and other things for alternative purposes. We will flow the things we can make to the small but growing number of groups of people working to build alternatives; we will not be geared

"to profit-making. We will be working in connection with the Center for Ithaca Alternatives (see above listing). We would like people to join us; we can't afford to pay, but hope to see this community develop enough to support people. For more information CONTACT David Chidakel, 412 Linn St., Ithaca, N.Y. 14850."

COSTA MESA FREE SCHOOL
(LOS ANGELES) Calif.

"We're working hard to get a tuition-free school started in Costa Mesa by February 1972. The school will be from kindergarten to eighth grade. We won't have formal grades-the kids will work and play at their own pace. Most of the students will be Mexican-Americans and low income and welfare kids. The emphasis will be on fitting education to the student, and mostly letting them do that, and making learning meaningful and fun. We need at least one certified teacher, we can't offer much money. We also need more ideas of ways to raise money for our school. For more information CONTACT Barb Bennett, 115 East Balboa Blvd., Newport Beach, Calif. Ca 92661."

CREATIVITY
(MEMPHIS)

"We feel that people should learn by living. The key to this is their living/learning environment. We are creating our environment for learning about 30 miles outside of Nashville, Tenn., where we hope to build 10-20 domes to serve as centers. We are looking for other learners who want to actively create/themselves: both resource sharers and learners, people in all spheres of learning. We plan to utilize the resources of the Nashville community, as well as those of our own environment, we also would like to set up a communications network among alternative schools and learning centers in the South. --CONTACT Creativity, 2508 Blair, Nashville, TN 37212."

DENVER LEARNING COMMUNITY
(DENVER)

"The Denver Learning Community is a private, non-graded 'free high school'. We've been going since September

"1971, have about 40 members, and have the workings of a real community. We recently got approval from the local draft board to hire CO's to fulfill their alternative service and we're really open to helping our brothers in this way. So, anyone interested in working with an experimental learning community as a CO, and willing to work out subsistence --CONTACT Denver Learning Community, 1170 Josephine St., Denver, CO 80206; (303) 322-5564."

COLO.

EDCENTRIC
(PORTLAND)

"People are needed for the EdCentric Magazine editorial collective. EdCentric is a radical magazine dedicated to change in education. Members of the collective live and work together and share what food and housing space is available. We are seeking people who are experienced in some form of campus based organizing and who view educational reform as one part of a serious revolutionary struggle in this country. Women are especially needed to help balance the overly male dominated tendencies of the movement. People with layout skills, graphic abilities, editing skills or a desire to work hard should CONTACT EdCentric, PO Box 1802, Eugene, ORE. Or 97401 or call (503) 343-0010."

THE FAMILY TREE COMMUNITY LIVING PROJECT
(DALLAS) TEXAS

"The family tree community living project is a halfway house on a 200 acre farm in Tennessee. This project will be a vocational school and, as a separate, but on-site facility, will be a therapeutic community for drug addicts. The staff of all facilities will also live in a communal effort."

"The land has already been obtained, but more people and resources are needed. They are looking for people who are interested and able enough to work with approximately 100 male juvenile delinquents, runaways or orphans or with hard core drug addicts. Requirements are for creative, hard working people who are more into each other than they are defiance, dope, or destruction. Education qualifications depend on positions, especially in the school, but they need not necessarily be a hangup."

b7c

"Details for obtaining money and materials to build from scratch, one school, living facilities and recreational areas are presently being worked out. Potential population is 200.

"People who are interested, in any way, in this project are invited to write telling what you want to do in life and what you expect in return as well as what practical experience you've had and what you feel you can offer. CONTACT John N. Drummer, The Family Tree, P.O. Box 10235, Fort Worth, Texas, 76114."

**FORT JACKSON PROJECT-COLUMBIA MILITARY/DRAFT
INFORMATION SERVICE
(COLUMBIA)**

"We started doing draft and discharge counseling and now are into starting G.I. projects in the south. We emphasize legal action against the brass as a practical and perhaps long term solution to many army actions. We could use staff members but the only thing we can offer is food and a place to stay until the person can become self-supporting. At the present we are all white, heterosexual males who have spent lots of time in universities. For more information CONTACT Peter c/o Columbia Military-Draft Information Service, 2301 Lee Street, Columbia, SC. 29205, 803-256-0196."

**HOUSTON EDUCATION COMMUNITY -- Proposal
(HOUSTON) TEXAS**

"The HEC would be a resource center that would include: referrals such as jobs, housing, entertainment, legal aid, transportation, draft counselling, drug crisis, etc.; education stuff working with existing structures, curriculum, free schools, alternative-seperatist, being a liaison between the learned and the learner, and apprenticeships; a community information center - a library of tapes, films, books and other resources; and equipment for community use in a 24 hr. building. Anyone who is interested in helping build the center/community (sometime this spring) -- CONTACT Cindy Soo, 3505 Main, Houston, TX 77002."

TEXAS

INDEPENDENT LEARNING CENTER
(MILWAUKEE)

"The Independent Learning Center, an alternative high school in Milwaukee, is looking for someone to run an auto mechanics co-operative. Duties are twofold: to teach all phases of car repair and also to instigate and develop a co-operative pro-community anti-capitalistic vision to the students working in the program. As the school is founded on the ideas of social change and practice, the latter emphasis is as important as the vocational training itself. Funds are available for the person and program. CONTACT Don Cotton, 938 N. 14th St., Milwaukee, WI, 53233."

WISC.

INDEPENDENT LEARNING CENTER
(MILWAUKEE)

"The Independent Learning Center is a free high school located on the south side of Milwaukee in a white working class neighborhood. They are looking for 2 high-energy people who want to work in radical, community-oriented education.

"One of their needs is for a part-time or full-time arts-crafts resource person who is interested in exploring artistic expression with students in a political context. They also need someone with special skills to raise funds, coordinate business, and develop city wide contacts to insure I.L.C.'s survival.

"Survival salary available. If interested, CONTACT Independent Learning Center, 1437 W. Lincoln, Milwaukee, WI 53205; 414-384-4760."

MEDIA, PEACE, BREAD & LAND BAND
(SEATTLE) Wash.

"Peace, Bread and Land is a group of two musicians who are attempting as a movement band to write and play music-that reflects revolutionary thought to get the songs to people interested in hearing them in as simple and direct manner as possible and to keep as much money as possible coming from their efforts in the hands of the people. The band will play benefits, rallies, concerts, etc. if transportation is supplied.

"We have produced a record using three side musicians - the profits being equally divided between the Angela Davis Defense Committee, the Black Panther Party survival programs, and two Seattle free women's clinics, the Open Door and Fremont. The songs on the 10" album are: 'the Wheel of the Law' (a poem of Ho Chi Minh's), 'Take it Away' and 'The End of Silence' and 'Women's Song', 'Angela', and 'Playing in the Water' by us. A complete financial report is printed on the jacket.

"We would like to have other musicians join us to make our sound as good as possible. Specifically, we need an electric bassist, a trap drummer-percussionist, and a keyboard person. We are a singer (woman) and guitarist (man). Women and Third World musicians preferred. Unfortunately the movement can not support movement musicians, so we have to do non-movement hustling. Prospective new members should send lengthy and detailed correspondence and a tape to let us know how they play. We would provide a place to stay for the right people.

"The album 'Liberation Music' can be ordered by mail by sending \$2.00 to Peace, Bread & Land, Box 12664, Seattle, WA 98111, (206) ME 3-2233."

STARK COUNTY DISTRICT LIBRARY
(CLEVELAND) 06, 6

"A proposed outreach library program needs a director to serve the disadvantaged, homebound, handicapped, intercultural outreach and senior citizens in social change activities. Special needs of those who cannot get to the library require an innovative service system. Some experience in working for social change is desirable. CONTACT Mr. D. Wolcott, Stark County District Library, 236 Third Street, S. W. Canton, OH 44702."

UNITED PEOPLES SERVICES (UPS)
(MILWAUKEE), WIS.

"United Peoples Services is a fund raising organization in Milwaukee that serves social change organizations. The concept is to solicit one donation

"from a person that will be divided among the affiliates. The organization is already set up but needs a full time fund raiser. Person must be able to relate to the politics of the affiliates (Welfare Rights, Brown Berets, Food Co-ops, etc.) and to raise funds from groups and individuals as well as plan fund raising events that would educate as well as raise money. Some experience in 'cause' fund raising is probably desirable as support funds would not last long enough for someone to learn this sort of thing from scratch. Survival wage can be paid and some kind of percentage from raised funds can eventually be worked out. For more information, CONTACT Larry Robbin, 938 N. 14th St., Milwaukee, Wis. WI 53233."

UNITED WORLD PRESS COOPERATIVE
(SACRAMENTO) CALIF.

"UWPC is a counter-media press service and publishing collective. They are interested in having new people join them. Experience in media work preferred, (but anyone can learn). Preparing the magazine, Rama Pipien, the Interim Press Release, and a new weekly radio program, Ramaradio, entails long hours of editing, correspondence, indexing, taping, as well as general living/work at the ranch. Room and board and independence are all we currently offer, plus the chance to do some meaningful, creative work in an excellent craft: people's media. Write to UWPC about yourself to set up a visit. Articles, cartoons, essays, poetry, and artwork are also needed. Material received with a self-addressed envelope (stamped) will be returned. If interested CONTACT UWPC, Rama Pipien Collective, Box 641, New Castle, CA 95658."

VOYAGE HOUSE
(PHILADELPHIA)

"Voyage House is a cooperative organization working with people under eighteen who need help. Most of them are runaways or throwaways for whom Voyage is a place and people to support self-determined decision making. We need staff to work in our halfway house and in our center as educational, vocational, and personal 'guides'. We pay \$200./month. Staff must be over 21, have some experience at surviving out of school/college, free of mental health

"stereotype behavior. We like to laugh alot at Voyage, too. If you're interested, write about yourself to Jim Littrell, Voyage House, 2041 Walnut Street, Philadelphia Pa 19103."

WALTHAM GROUP
(BOSTON)

"The Waltham Group is a student-run and staffed volunteer social action program at Brandeis University. The Group is a left-liberal organization, but is becoming more willing to align themselves with the People against the established bureaucracy. The Group needs a full-time coordinator with high creative abilities, administrative skills, and experience to work with University students and community residents in running such programs as: tutoring and recreation; community nursery school; teenage drop-in centers; and other social action programs. ANAND MARG,
ALSO KNOWN AS
ANANDA MARGA,
ANANDA MARGA YOGA SOCIETY,
UNIVERSAL PROUTIST REVOLUTIONARY FEDERATION

The Anand Marg, founded in India by Prabhat Rainjan Sarkar, is self-described as a religious, social organization whose goal is peaceful, social reform. Sarkar, who is known to his devotees as Anadmurti (Bliss Incarnate) and Baba (father), was imprisoned in India after being found guilty of conspiring in the murders of six former followers who had defected from Anand Marg. The Anand Marg and its splinter groups, i.e., Universal Proutist Revolutionary Federation, etc. have committed numerous acts of terrorism throughout the world demanding the release of their leader Sarkar, and social revolution in India.

The Anand Marg was founded in 1955 by Prabhat Rainjan Sarkar, alias "Baba" or Ananda Murthiji, and advocates the overthrow of the Indian government and a takeover by a group called "Sadvippas," an elite section of Anand Marg. The group reportedly had indicated that such overthrow would be accomplished by bloody revolution. Sarkar has been imprisoned since 1971 on charges he ordered the murder of several defectors from the Anand Marg. He has since been released in 1978 on bond pending an appeal before the Indian Court.

67D [REDACTED]

Sarkar claims to be the incarnation of God and his purpose is to establish a government of moralists. He has succeeded in persuading his followers that he has supernatural powers and can liberate their souls. Once

ANAND MARG, ET AL

b7D the organization gained some popularity it became involved in politics. [REDACTED]

[REDACTED] Since 1968, Anand Marg started opening branches in different countries under the guise of yoga societies, pre-school programs, and relief centers. Some of the foreign disciples have traveled to India for instruction.

Ananda Marg established itself in the United States in 1971 when Acharya Yatishwarananda Avadhoot, alias R. Venkatanarayan, was sent to propagate the group's philosophy. The headquarters were established in Wichita, Kansas, under the name of the Ananda Marga Yoga Society of USA. In 1973 the Society bought its own three-story building at 854 Pearl Street, Denver, Colorado, and moved its headquarters there.

The Ananda Marga Yoga Society is self-described as a group whose members attempt, through self-discipline, and meditation, to find ecstasy and inner peace. In 1975 the Society claimed to have 80 branches in the U.S. In 1972 and 1973, it engaged in demonstrations in Washington, D.C., and San Francisco, California, protesting the jailing of its spiritual leader, Shrii Shrii Anandamurti (Sarkar). These demonstrations were peaceful; however, a demonstration at the Indian Embassy on April 23, 1973, resulted in the arrest of two Society members. They were charged with "Depositing of Trash in a Public Place" after they attempted to deliver to the Indian Ambassador the ashes of a monk who had immolated himself. In the process, the container of ashes was dropped and broke on the Embassy steps.

In late 1976, Sarkar claimed to have eight million followers in India, Great Britain, the United States, Canada, The Philippines, and Australia.

Activity in the United States

The Ananda Marg (AM) Sanskrit for Path of Bliss, is a self-described religious-political organization based on the Progressive Utilization theory (PROUT), which calls for the maximum utilization and rational distribution of all physical and spiritual resources of the "individual, collective body, and universe." While PROUT professes to be neither capitlistic nor communistic, its primary tenet is that no individual should be allowed to accumulate any wealth without the "approval of the collective body." According to PROUT, only the elite who possess "education, morality, and socioeconomic-politico consciousness" should be invested with political power.
